

Anastasia-Eftychia Karousou

Anastasia Karousou is an experienced Associate within our Energy, Project Finance & Development practice groups. She advises both domestic and international clients on administrative, energy and environment, project finance and public procurement issues. Her expertise encompasses energy and environment, EPC, O&M, Oil & Gas, LNG projects, renewable energy projects, concession agreements, public private partnerships, public tenders, EU, UK and national legislation, contract negotiation, alternative dispute resolution.

Before joining Lambadarios, Anastasia worked as an in-house Legal Counsel at METRON Energy Applications S.A. providing legal advice on a wide range of commercial transactions within the oil, gas, water and energy, as well as on various corporate transactions and client development strategies. She has also worked in international law firms and companies, providing legal advice on complex commercial and financial transactions, cross-jurisdictional investigation proceedings in relation to fraudulent and corrupt practices and participated in international contract negotiations and ADR proceedings.
