

Lilian Tsirigoti

Lilian Tsirigoti is an associate within our TMT department

She undertakes legal research on Greek and European law, specializing in the areas of IP and data protection law and attends litigating hearings and assists with preparation of court submissions.

Lilian also advises both domestic and international clients on civil and commercial law issues.

TMT & Intellectual Property

Notable TMT & Intellectual Property cases

TMT Litigation

- We defended the case of an actor, having participated while he was a minor, in theatrical plays directed by a well-known Greek director and actor who was involved in #Metoo cases, who submitted requests and complaints on the basis of his right to be forgotten in the Google search engine, regarding the association of his name to the director.
- Advised **Google Ireland** on a preliminary injunction request for delisting URLs from Google search, which was filed by an alleged perpetrator of a sexual assault.
- We defended **Google Greece** on a €200,000 lawsuit for damages on the basis of alleged defamation from unauthorized publication of criminal file.
- Successfully defended **Google Ireland** and **Google Greece** on a €200,000 lawsuit for damages on the basis of illegal disclosure of personal information following a request by the prosecutor.
- Defended **Google LLC** and **Google Ireland** in a USD1m case in which the Claimant was seeking damages against platform for online information on sexual orientation.
- Advised **Google LLC** on the case of a Banker's request for removal of information from Google search on professional activity.
- Advised **Google LLC** on the case of a Greek businessman and shipowner's request for removal of information on a criminal case.
- Successfully advised **Google** on a critical hearing in a defamation case, which was a result of the #MeToo movement in Greece, brought by a well-known Greek actor against Google for the removal of allegedly defamatory content uploaded online, regarding the commission by him of sexual offences against his female coworkers.

- Successfully defended **Google** on in a preliminary injunction over liability for content published online by users for a famous Greek cardiologist and Professor of Medicine.
- Successfully defended **Google** on a case regarding the request of an archbishop to remove a number of YouTube videos, which, according to the Claimant, violated his privacy rights as the videos were posted without his consent.
- Successfully advised **Google** in a challenging case in which the Claimant requested that Google is ordered to disclose information in relation to YouTube.
