

Maria Vlachou

Maria Vlachou is an associate within our Energy, Utilities and Project Finance department. She advises a number of public and private entities on energy and corporate law issues. She has taken part in a number of arbitral proceedings in the Energy and Banking sectors and she assists in M&As, issuance of bond loans and establishment of companies under Greek law.

Maria has advised a major client with regard to its participation in a public tender for the development of an underground natural gas storage facility in northern Greece. She has, also, taken part in advising a foreign client to its establishment in Greece for a renewable energy project.
